Be my friend,
and walk beside me
as we enter life —
young, and searching.

Catch me if I stumble
for I've never walked
this path before

But I know we'll make it
if we help each other

My hand will reach out to you,
when you need it;
and my eyes will see you
when you're in your glory;
and my warmth will hold you,
ever so tenderly.

You'll sing your song
and it will echo forever;
in the halls of time
and in the hearts
of those you have touched.

Do not dwell in the past,

Be my friend,

Class Of 1976

And Started Doing Things As A Class

We Did Things Together, Succeeded And Failed And

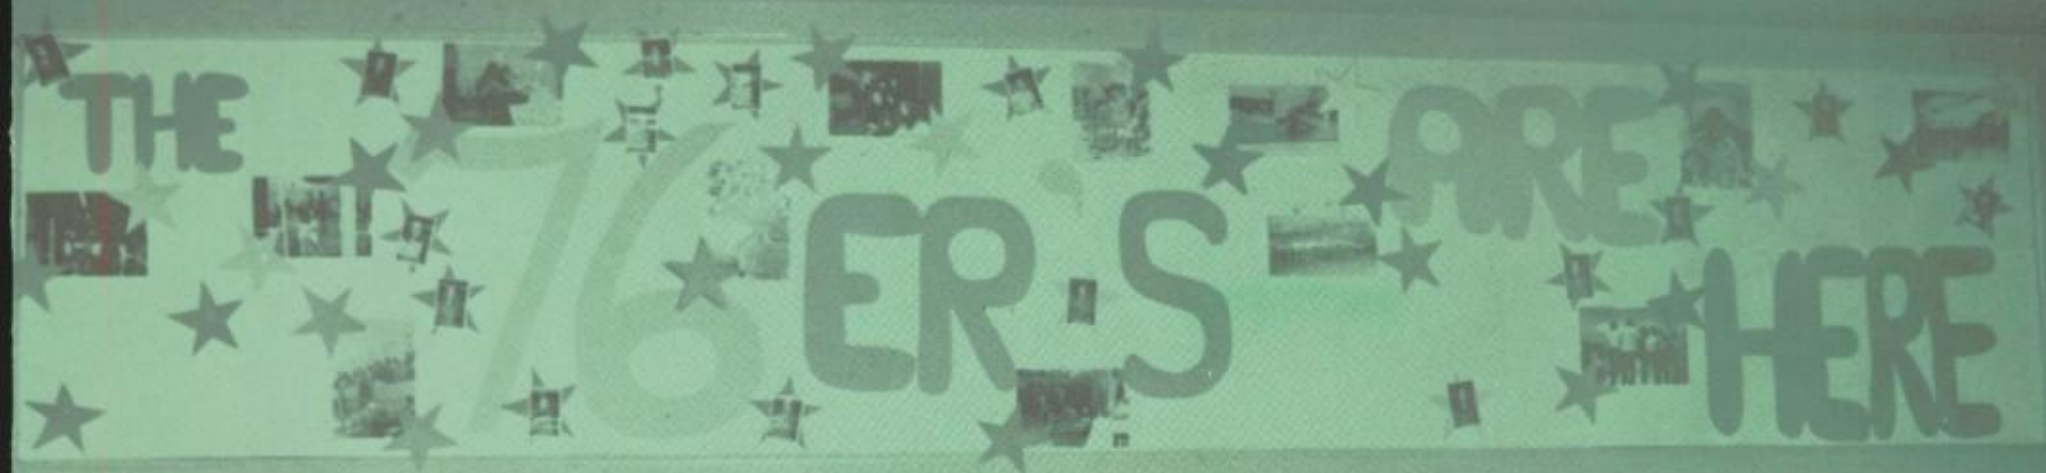

I do my thing,
And you do your thing.
I am not in this world
To live up to your
expectations
And you are not in this
world
To live up to mine.
You are you.
And I am I
And if by chance
We find each other,
It's beautiful.

We Will Take That Last Final Together,
Then Say Goodbye,

But We Will Remain United In Our
Memories, Forever.

Curriculum

As we, the Class of 1976, look back upon our four years at Saddle Brook High School, we find that our lives here have been a kaleidoscope of events. We have made new friends, with whom we have shared moments of gloom and despair, along with times of joy and success. Now it is time to say goodbye and move on to new experiences. Before saying goodbye, however, there are two people to whom we would like to express our gratitude. These two people helped greatly in making our class a success. Whether it was their time, advice, or friendship that we needed, they were always ready to help. In deep appreciation of this, we dedicate this yearbook to our class advisors, Miss Ida Cerullo and Miss Maureen Vaskis.

Dear Graduate,

You are most fortunate in being able to celebrate two such wonderful occasions in a given year. One, celebrating America's Bicentennial Year and secondly participating in our sixteenth annual commencement.

It is a time to reflect on successes and failures while renewing hope for the start of another even more fruitful segment of your life.

I want to leave you with one important message.

"As you face tomorrow, knowing it belongs to you, face it with all the connections that you have formed. Grow in all directions. Develop a desire for goodness, an eagerness for knowledge, a capacity for friendship, an appreciation for beauty and a concern for others."

Sincerely,

ALTERNATE SCHOOL

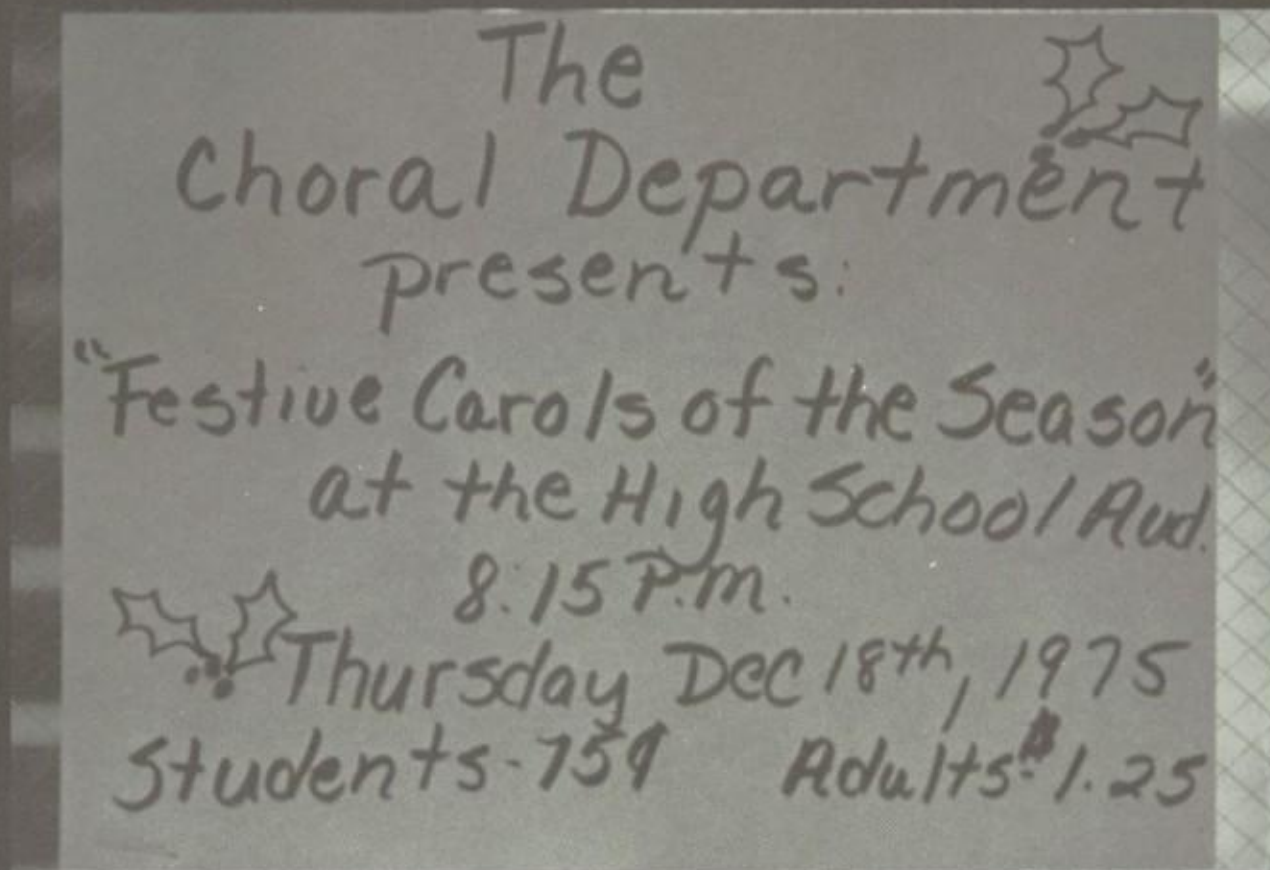

Activities — Key To A Fun-Filled Year

Activities in High School make the difference between an interesting and diversified year and one that drags with boredom.

Clubs and activities range from music to math, and from sports to student council. There is something for everyone.

Dig in!

A stack of pancakes, a jug of milk; and two hundred-fifty famished seniors.

The Seniors started off the year with a breakfast. Most of the class attended and a good time was had by all.

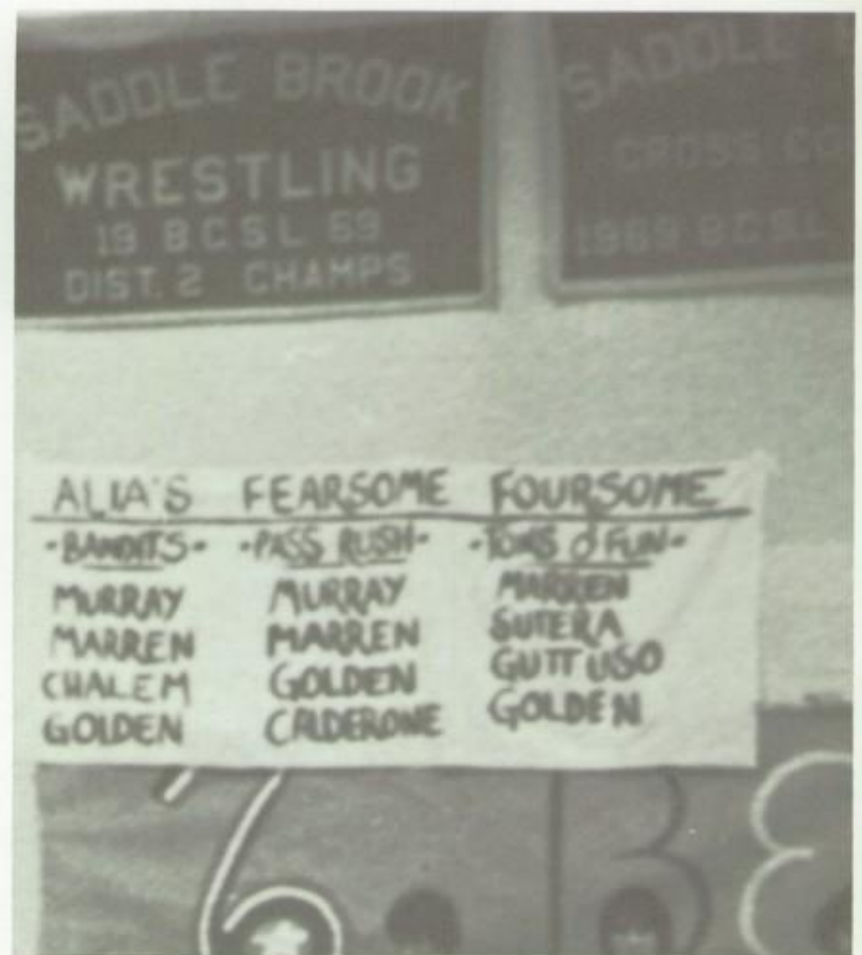

Upper Left: Maryann Salerno, Miss Moffet, and Mr. Gorab enjoy their breakfast.

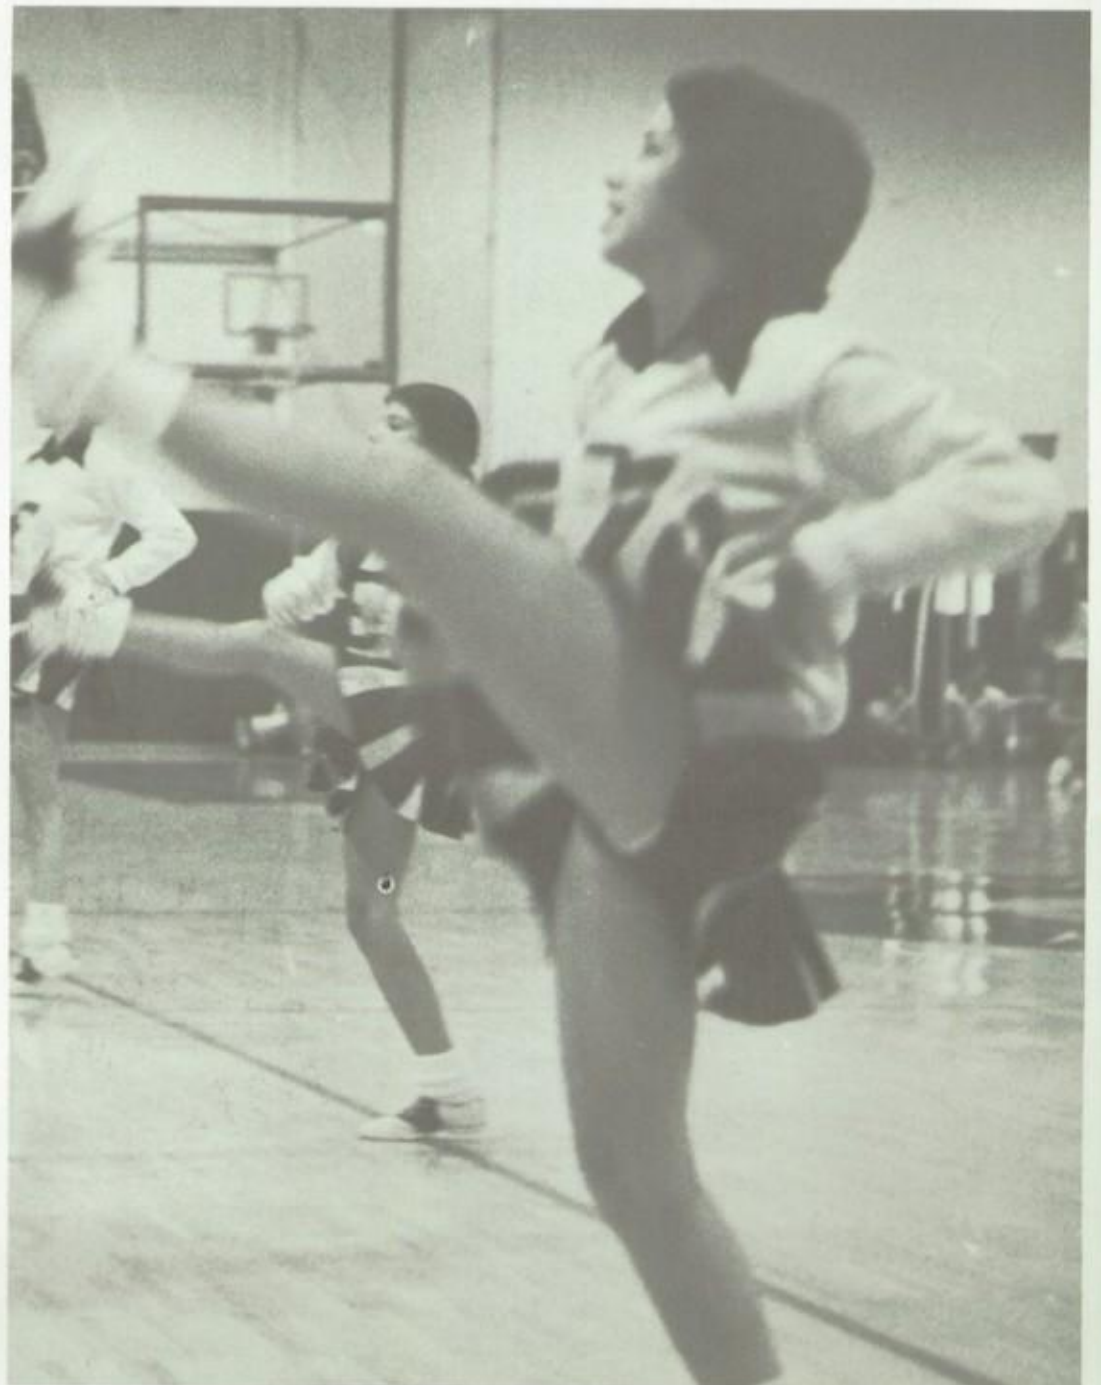

Upper Left: Sue Wolf is caught with her mouth open.
Upper Right: Mrs. Heaney pauses for the camera while Mr. Broadhurst enjoys his pancakes.

We Got Spirit!

The students really showed their spirit at the pep rally. They enthusiastically showed their support for the various teams. The cheerleaders organized this pep rally held during the fall.

Step To The Music . . .

Blaring horns, colorful flags, clanging cymbals — that's what Saddle Brook's Marching Band is all about. The entire unit consists of 137 members. Colorguard captains are Donna Guida and Joyce Johnson.

“In the Air There’s

a Feeling of Christmas."

Charlie Brown said, "We need a Christmas tree."
"Get the biggest tree you can find," said Lucy.
Do something right for a change, Charlie Brown.

¡Feliz Navidad!

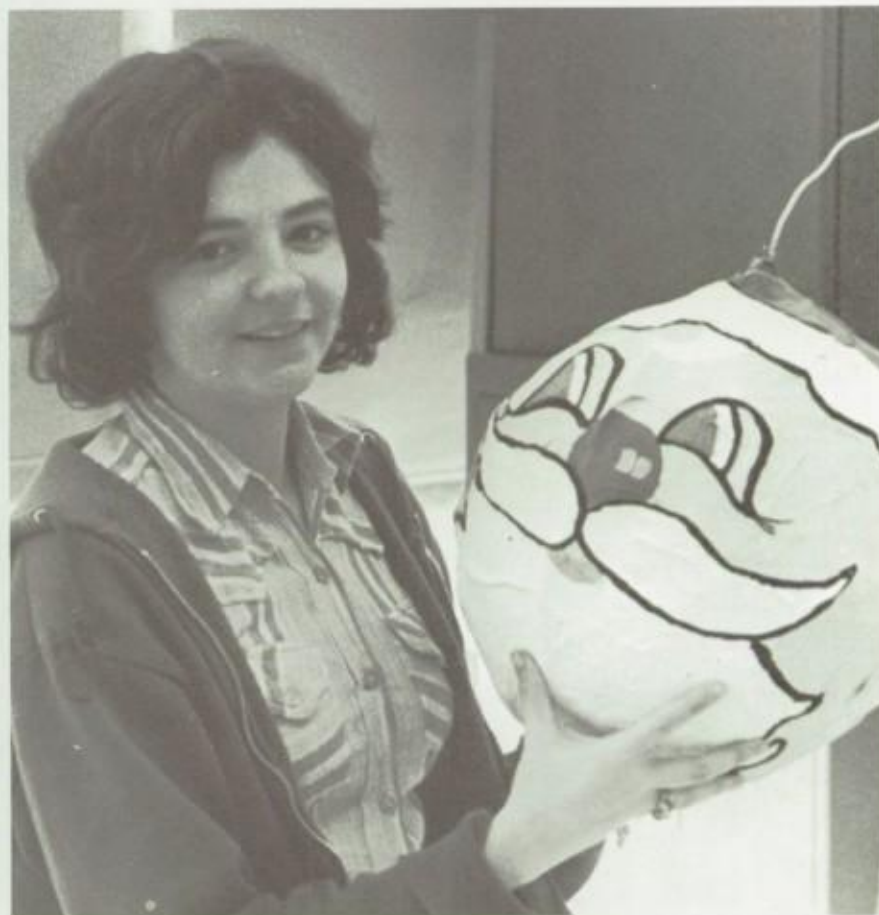

On December 19th, the Spanish Club held a Christmas party which featured a piñata. The club sponsors a child named Rosa who lives in Argentina. Club officers are: President — Maryanne Masterson; Vice President — Toni DeLuca; Secretary — Mary Jo Touhey; and Treasurer — Kathy Palmisano. The advisors are Mrs. Basmadjian and Miss Riscoe.

Opposite Page: Mr. Senes entertained by playing his guitar, while Toni DeLuca tried to break the piñata.

This Page: Club members scrambled for the candy after Maryanne Masterson broke the piñata even though Miss Riscoe and Mr. Senes tried to make it "difícil."

Rekindling The Past: Homecoming

This past November, Saddle Brook High was the scene of a memorable event: The Homecoming Parade.

Each class made a float and participants donned costumes for the event, which included a \$100 prize for the class which had the most originality and ingenuity. This prize went to the Juniors' "Tribute to Walt Disney." The other floats' themes were as follows: Freshmen — "Welcome to MacDonald Land"; Sophomores — "Wizard of Oz"; Seniors — "Spirit of '76"

Returns To Saddle Brook

Bicentennial Fever

November 10 and 12 were Bicentennial Days at Saddle Brook High. Instead of regular classes, students attended various assemblies and activities. The celebration of our country's birth included guitar playing, apple bobbing, the Senior barbeque, a pantomime act, costume contest, a yoga demonstration, and more.

At left: Elaine Owitz bobs for an apple. Below: Richie Kritzer dresses in the Bicentennial Spirit as Tony Fontana, Ang LoSchiavo, Tony DeFranco and other seniors enjoy the day's events.

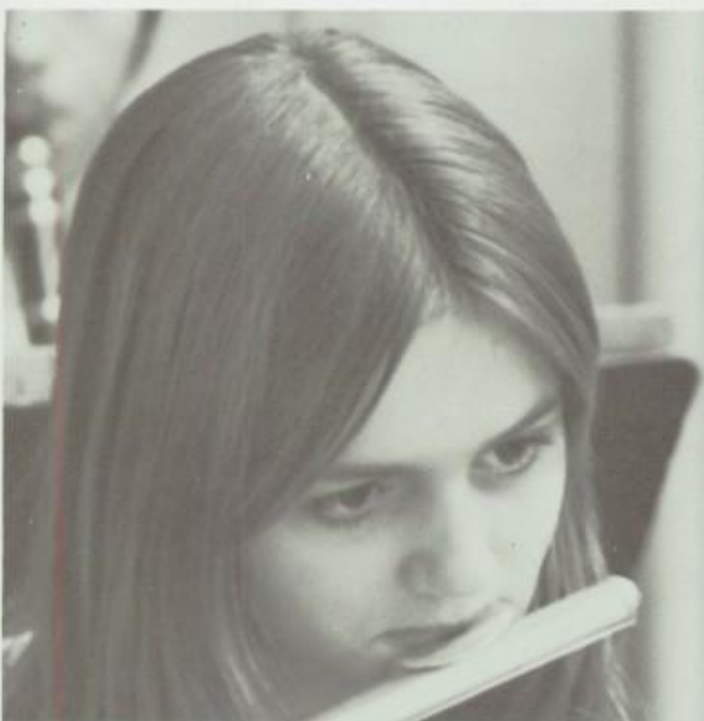

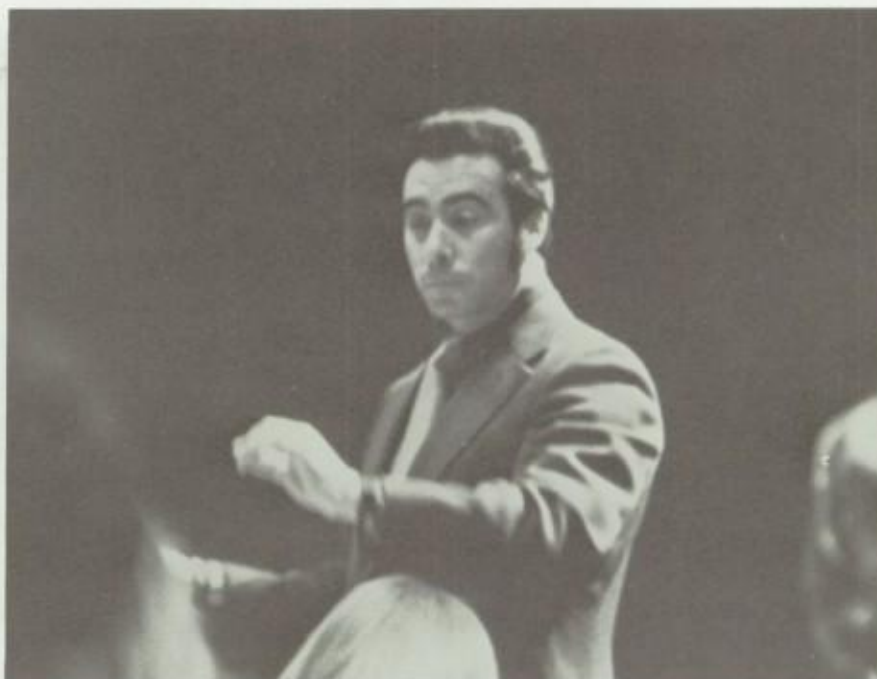

And The Beat Goes On . . .

The concert band is very active. They perform two concerts yearly. They plan to take a trip to Boston for the Bicentennial. They will raise money by having a hoagie sale. The band officers are: President — Keith Breznovitz, Vice-President — John Klemek, Treasurer — Cathy McBroom, Secretaries — Denise Chroback and Donna Ambler.

What's New?

The Falcon Flyer, our illustrious newspaper, keeps the school informed on all the current happenings. The newspaper is edited by Kim Seventko, with assistants Maryane Masterson and Maryanne Henry. Advisors are Mrs. Boswell and Mr. DeFranco.

Top Right: Mr. DeFranco has a nose for news. Bottom Left: Kim Seventko and Mrs. Boswell work hard to meet a deadline. Bottom Right: Maryanne Henry and Maryanne Masterson work on layout.

"Good Morning, And Here Now The News."

Initiated last year as an experiment, the Morning News is here to stay.

Each day in homeroom, after the flag salute, a handful of students condense and report on the major events in the country and the world. In addition, they give sports, weather, and read the daily announcements.

"I Got The Music In Me!"

The Choraleers are a select group of talented glee club singers. Each year they give two concerts. At Christmas time they incorporated both singing and acting in a skit in which they dressed as mice. The group caroled at shopping centers and other public places.

Mathmagicians!

Each year the Math Club competes against five other schools. A specific time, ranging from three to five minutes, is given for each problem. The prize for the student who answers the most problems correctly is "a book of math tables!" The most successful student is eligible to enter the Math Olympics. After each meet, refreshments

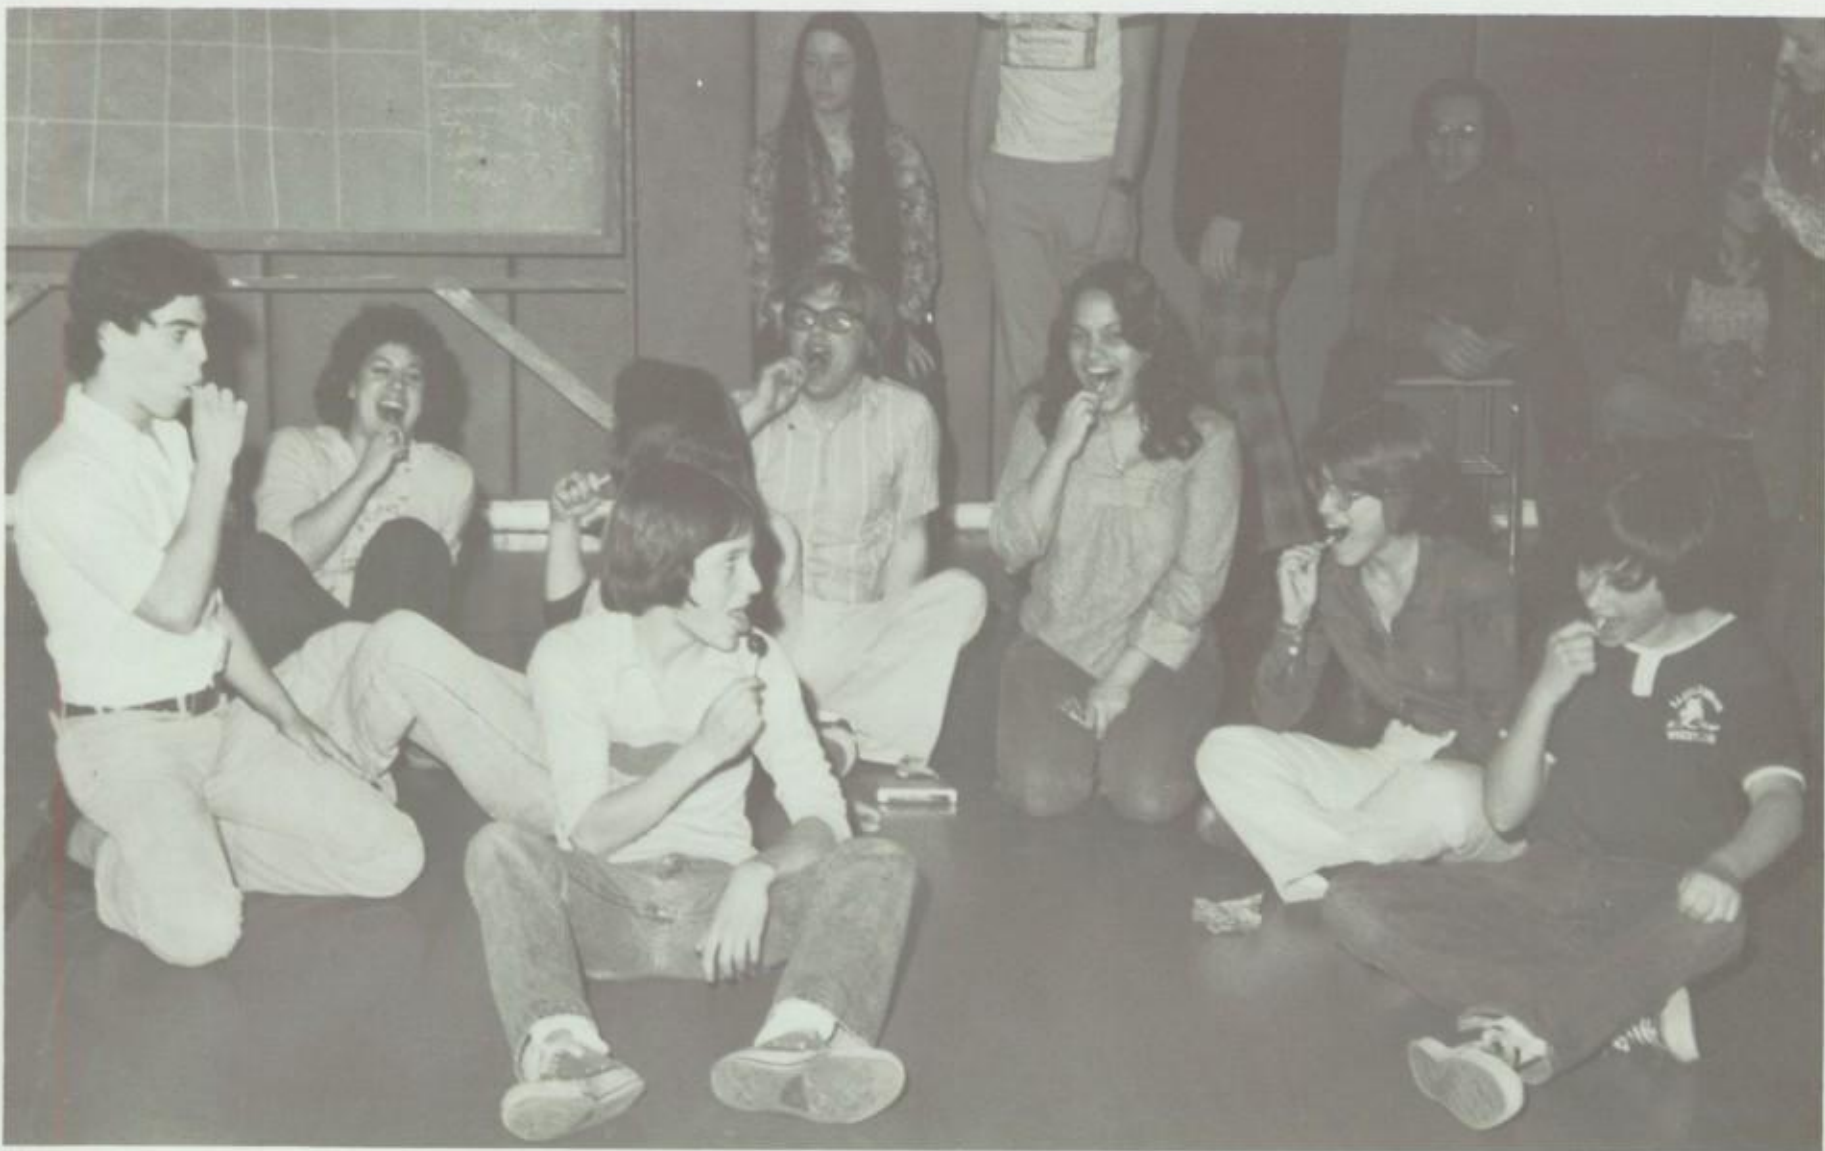

are served. Saddle Brook is famous for their soy beans and green bananas, courtesy of the team's advisor, Mr. Paul Bachman.

Back, Left to Right: Mark Hutcheson, Maryanne "Bo" Masterson, Mr. Bachman, and Russ McDonnell. Front: Colleen LaPenta.

Competing Classes Clash

A well organized and enjoyable Battle of the Classes was held in the gym. There was high spirited competition between classes as the teams engaged in such activities as pie eating, balloon bursting, tug-of-war, and an obstacle course. The Sophomores won the total competition followed by the Seniors, Juniors and Freshmen. The events were moderated by Mr. Burstein.

The officers are as follows: President — Debbie DeLorenzo, Vice President — Susan Horohonich, Treasurer — Jackie Sabella, Secretary — Sandy Reial.

Parlez-Vouz Français?

"C'est le cercle français" or in English, "This is the French Club." Their main event this year was participating in a Bicentennial celebration, featuring the projects of different language clubs throughout the state. The members worked very hard preparing their projects. The club's advisors are Mr. Milos (left) and Miss Cerullo.

On With The Show

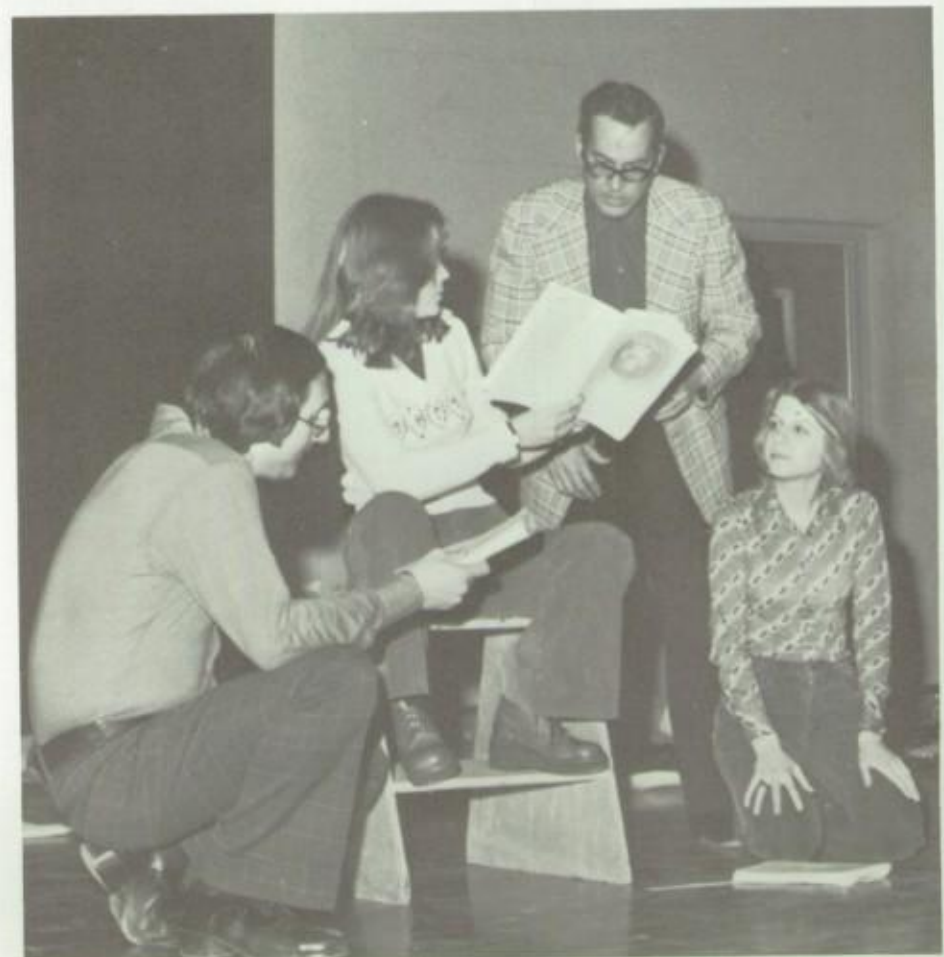

On April 2nd and 3rd the Senior Class presented the play "Annie Get Your Gun." The cast, pit band, stage crew, set designers and directors worked long and hard to ensure that the play was a success. The directors were Mr. Broadhurst, Mr. DiNello and Mr. Senes.

Feb. 11, the Students of Saddle Brook High School, assumed the positions of public and school officials. They took over the job of mayor, town council, board of education, police and firemen, as well as the school principal, guidance counselors, and teachers. "It's A Small World"

The Student Exchange Committee, under the direction of Mr. Bliss (committee advisor) and Debra Hemming (committee chairperson), works very hard to promote unity between the youth of many nations of the world. Each year, the committee sponsors the Open Door Program, Latin American Workshop and World Youth Forum. Various students and their families share their homes with foreign students. Thanks to these and the many other people of the community who help so diligently, the program is very successful.

Right: Mr. Bliss prepares for upcoming event. Below, Left: Christiane Seidler from West Germany, who stayed with Mary Jo Touhey. Below, Right: Victor Carazas from Bolivia, who stayed with Malcolm Franklin.

Seniors

The time has come,
We must say goodbye.
We can look back and smile,
However, we can also look back
and cry.
We have all grown and changed
in so many ways,
And we will never stop changing.
The spirit of freedom is within us.
Yet let us not forget the spirit
Who is free . . .

Geri White.

Geri's life ended two years past,
And to those of us who loved her,
She shall be with us always.
This would have been her
graduating year also.
We will always remember her
and her warmth.
It is to Geri White that we
dedicate the senior section
of this yearbook.

Dreams — so they say
Are for the fools and let them drift away
Peace — Like the silent dove
Should be flyin' but it's only just begun
Like Columbus in the olden days
we must gather all our courage
Sail our ships out on the open sea
Cast away our fears and all the years will
come and go
And take us up — always up
We may never pass this way again.

To sail on a dream
on a crystal clear ocean
To ride on the crest of

To work in the service

In search of the

Life — so they say
Is but a game and
they let it slip away.
Love — like the autumn sun
Should be dying but
it's only just begun
Like twilight in the
road up ahead
they don't see just
where we're going
And all the secrets
in the universe
Whisper in our ears
and all the years
Will come and go
And take us up —
Always up —
We may never pass

But it's only the fools
Never climb to a hill

Most of us fear that
We'll find ourselves

But if you're true to

It's worth more than

you can find
And loving is giving

KINDNESS

I shall pass through this world but once.
If, therefore, there be any kindness I can show,
Or any good thing I can do, Let me do it now;
Let me not defer it or neglect it,
For I shall not pass this way again.

— Grellet

I'm just awandering on the face of this earth
Meeting so many people who are trying to be free
And while I'm traveling I hear so many words
A thousand pictures can be drawn from one word
Only who is the artist we gotta agree
A thousand miles can lead so many ways
Music is the traveller crossing our world
Meeting so many people, bridging the seas.

— Lodge

It's not time to make a change, just relax, take it easy,
You're still young that's your fault,
there's so much you have to know.
All the times that I've cried keeping all the things I knew
inside, it's hard, but it's harder to ignore it. If they
were right I'd agree, but it's them they know, not me
now there's a way, and I know that I have to go away,
I know I have to go.

Determination And Spirit Unite The FALCONS

This year was started off with hopes of winning the BCSL Title and getting into the State Playoffs. Unfortunately, due to an upset win by Westwood the boys were not given the opportunity to be in the state playoffs. However, we had a very successful year, finishing with a record of 6-2-1, which was the best record by a Saddle Brook Football Team since 1971. Our offense was second in the league in total scoring and the defense was third in points given up.

Next year's football team has the ability to win a championship as long as the boys make use of the experiences of this year.

Girls' Tennis

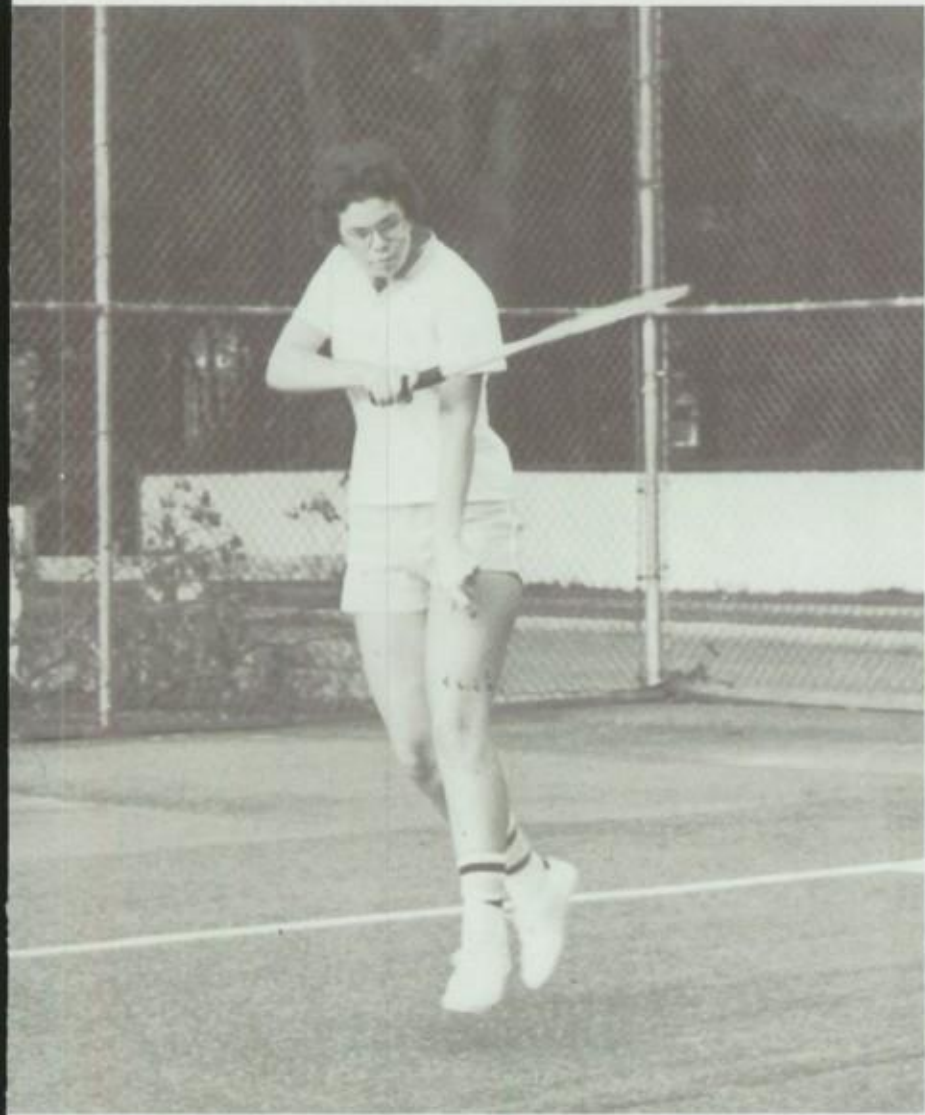

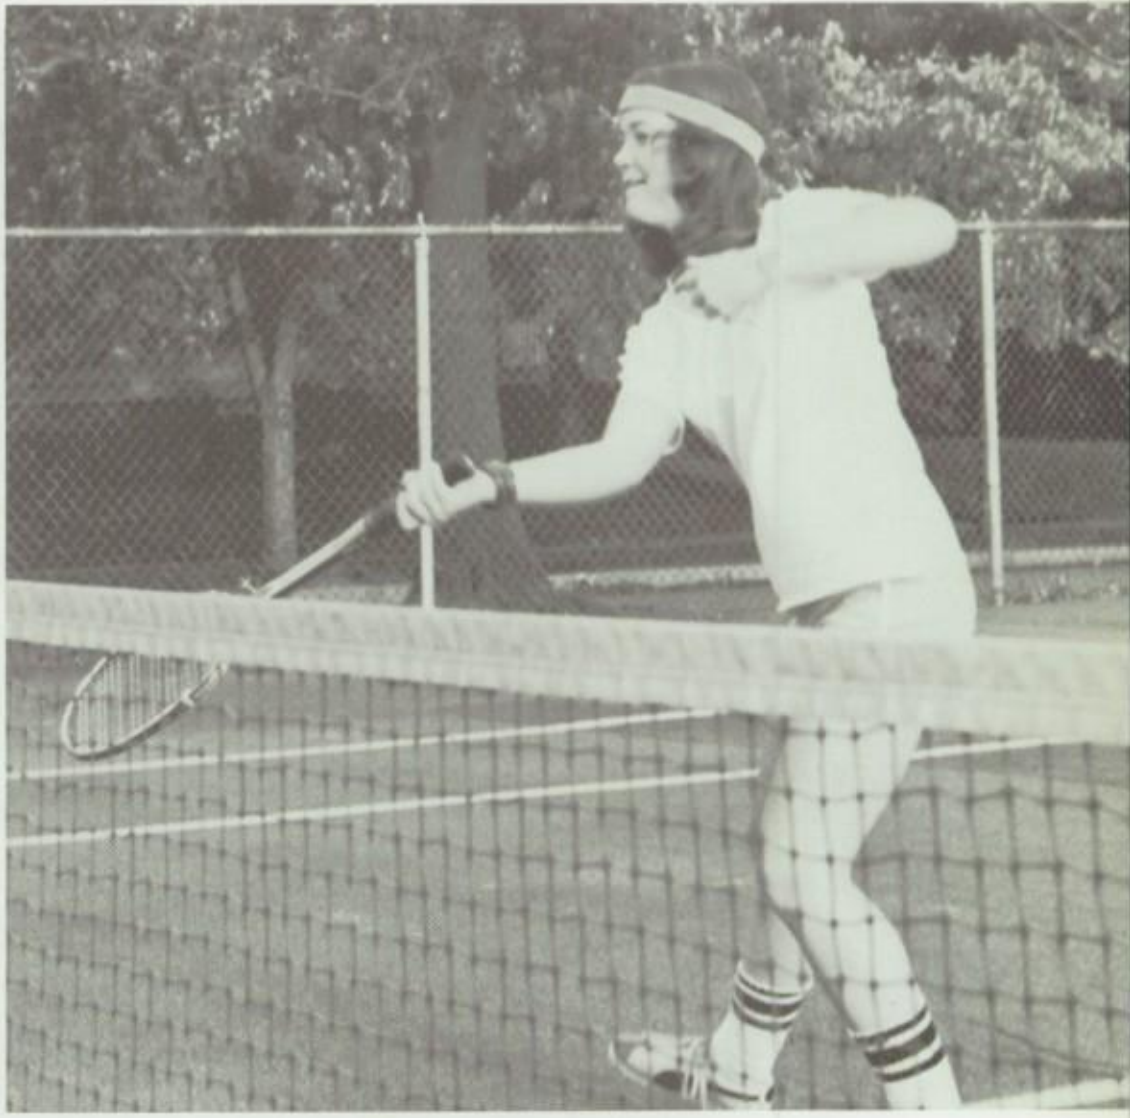

The '75 girls' tennis team was led by Senior Co-Captain Pat Corbo and Sophomore Jackie Sabella. Jackie played 1st singles and Pat held down a rough 2nd singles spot all season. Splitting the 3rd singles and 1st doubles spots were Brenda Little and Jan Bauer. Marie Sabo, a Senior, was the mainstay of the 1st doubles team. Chris Yarosz and Doris Pinand played 2nd doubles. Joann Fetish filled in at 2nd doubles at the end of the season.

Our season's record was 0-12, but this figure does not truly represent the diligent practice and individual dedication shown in this year's team. Highest individual records were posted by Jackie Sabella, Marie Sabo, and Jan Bauer. Jackie and Marie received H. Mention all league.

The following girls participated in J.V. matches throughout the season — Karen Hutchenson, Josephine Latona, Chris Pokrypka, Donna Dassing, and Nina Giacamoro. Dorice Buggle and Irene Winderlich were this year's team managers.

Cross Country Girls

The Saddle Brook Girls' Cross Country team enjoyed a very successful season by winning the Bergen County Girls' Cross Country championship and Passaic County Coaches Invitational. The girls were second in the State Sectionals and in the Shore Invitational. The accomplishments of the girls were amazing, when you consider that five of the seven varsity runners were freshmen. Soccer Team

After a tremendous season last year (14-2) eight starters graduated leaving many positions to be filled. In September, 1975, the Saddle Brook Soccer Team tried to fill the empty positions with inexperienced and new players. After our first four defeats we decided to switch players to different positions. With this new line-up, we were able to save the season and end up with a record of 8-6. Our forwards, Mark Aceino, Lyle Petrasik (captain), Juan Sanchez, and Carlos Sanchez, did a fine job. Our halfbacks, J. Klemek (Captain) and Reza Saraf, did a fine job in both defense and offense. Our fullbacks, Tony DeFranco, (capt.) Keith Breznovits, Steve Grau, Jerry Stuart, and Sal Costanza gave many outstanding performances of teamwork. Our goalie, Tom Fusco, did a superb job for his first year with the varsity team. Our reserve line, Doug Sabella, Bob Bosland, Tony Fontana, Roy Frietas, Karl Padilla, Ron Duriske, Tony Confrancesco, and Bob Winter, helped us tremendously with spirit, morale, and relief for the other players.
